What is now the Ever After Theatre company, began in a coffee shop with the parent of a young person with a disability, a worker from Rozelle Neighbourhood Centre and a community worker from Leichhardt Council.

Ever After Theatre company are a local performing arts group made up of young people aged 18-26. The company work with arts professionals to develop performing arts skills and devise theatre works. The actors happen to have an intellectual disability. Since they formed in 2001 they have performed works for the local community, corporate community, toured to Awakenings Festival in Victoria, and recently presented at the NSW Arts Activated conference.
